PROJECTS

Creative Agency Portfolio, (MERN Stack)

- Modern Aesthetics: **Clean, minimalist design focusing on typography** and high-quality imagery.
- Fully Responsive: **Optimized for desktop, tablet, and mobile** device

Shanti Portal Mental Wellness Platform, (MERN Stack)

- Developed **therapy-based platform** with **audio sessions, yoga, and spiritual content**.
- Implemented **authentication and responsive UI** for better user experience.

Aqua Flow Web-app, (React.js, JavaScript, HTML5, CSS3 Git & GitHub)

- Aqua Flow is a **high-performance React application** featuring a streamlined **component architecture and intuitive user interface designed** for seamless interaction.

Online Face Recognition System, (Python, Flask, HTML, CSS, JavaScript)

- Automated attendance using **real-time face recognition**.
- Integrated **Excel updates** for **efficient data management**.
- Built a **responsive web interface** for **easy monitoring**.

AI-Image-Generator, (HTML/CSS/JS)

- Developed a **web tool to generate AI-powered images**.
- Skills: Frontend development, **integrating AI logic, responsive UI**.
- Importance: Shows **ability to combine UI/UX with AI features**.

Voice Assistant, (Python)

- Built a **voice assistant** for interactive commands.
- Skills: Python, speech recognition, automation.
- Importance: Demonstrates **real-time input handling, AI integration, and problem-solving**.

Instagram Automation,, (Python)

- Why: Practical automation project showing **real-world application of Python scripting**.
- Skills: Python, task automation, API handling.
- Impact: Highlights **backend scripting and productivity tool development**, which is highly relevant in software roles.

ACHIEVEMENTS

Team Leader – Secured 2nd Prize, at Smart India Hackathon (SIH), 2025

- Developed **leadership, teamwork, problem-solving, practical skills, and achieved winning outcomes**.

Ranked 3rd at Karma-Tech, Project Exhibition

- Enhanced **problem-solving** under **pressure**
- Strengthened **teamwork** and collaboration
- Shows **real-world application of technical knowledge**

ROBO Hackathon 2025:

- Developed robotic solutions using **Python and AI**, enhancing hands-on hardware skills, team collaboration, and problem-solving under constraints.

EV Techathon 6.0 Hackathon: Participant, Participant

- Participating in hackathons **builds practical skills, problem-solving ability, teamwork**, and adds value to your resume.

2 Gold & 2 Silver Medals, 10M Air Pistol Shooting (DBATU University)

4-time recipient of the Excellent Sport Achievement Award, KIT, Shelve

- Recognized for outstanding sports performance with **4 Excellent Sport Achievement Awards** in KIT, Shelve

TECHNICAL SKILLS

Languages — Python, JavaScript, HTML, CSS.

Frontend — React.js, Bootstrap, Next.js

Database — MongoDB, MySQL, Firebase.

Backend — Node.js, Express.js, Flask, Django

Expertise — GitHub ,VS Code ,Sublime Text , Antigravity, Ai Tools.

Other — REST APIs, Authentication, Responsive Web Design, Ai-Integration & problem-solving.

CERTIFICATIONS

Generative AI Studio Certification — Google Cloud and Simplilearn SkillUp

Computer Ethics in AI — Microsoft & LinkedIn

Introduction to Artificial Intelligence — Great Learning

HTML & CSS Development — STP Computer Education (2024)

AI for Entrepreneurship — Using AI for business innovation, automation, & startup solutions

EDUCATION

SSC (10th), K.B.P. Junior College, Piliv 2020
78.33%

HSC (12th), Shiv Shambhu Art & Science Junior College, Kaner 2022
69.33%

B-Tech in CSE, Karmayogi Institute of Technology, Pandharpur. 2026
(7.6/10).

INTERESTS

10M Air Pistol Shooter (National) (Participated in All India ,National Championships.) |
Leadership, Traveling, Meditation , Problem Solving, Reading, Summing.
